Return to Wellness Service Pilot:

A 3 Step pathway for people with persistent symptoms introducing group assessments in primary care

April '24

Opening to Self-Referrals :

In response to local research and our Long Covid Equity of Access group, with the aim to reduce health inequalities and improve access, we are introducing self-referrals to the Long Covid service through the Elaros App.

April '24

Vocational Rehabilitation Pathway for people following a Stroke:

Preliminary successful bid to form a pilot pathway with acute & community stroke services and Council/ VCSE services that utilises the expertise in vocational rehabilitation developed in the Long Covid Pathway

West Yorkshire and Harrogate
